Privacy Policy for Moonbase Layer3 Wallet

1. Introduction

At Moonbase Layer3 Wallet, we prioritize the privacy and security of our users. This Privacy Policy outlines how your information may be collected and used by Dapp providers and blockchain RPC nodes, and the responsibilities of users in this context. By using the Moonbase Layer3 Wallet, you agree to these terms.

2. Information Collection and Use

No Personal Information Collection by Moonbase Layer3 Wallet

Moonbase Layer3 Wallet does not collect any personal information such as your name, email address, or other identifiable information.

Information Collection by Dapp Providers and Blockchain RPC Nodes

By using the services provided by Dapp providers and blockchain RPC nodes, you agree that they may collect your personal information in accordance with their respective privacy policies. This may include details of your crypto transactions, addresses, and related information.

Usage Information

We may collect information about how you interact with our wallet, including the pages you visit, the time spent on those pages, and other diagnostic information. This helps us to improve our services.

3. Cookies and Tracking Technologies

We may use cookies and other tracking technologies to enhance your experience and gather information about your interactions with our wallet.

4. Third-Party Services

Please be aware that third-party service providers, including Dapp providers and blockchain RPC nodes, may have access to your information. You are responsible for reviewing and agreeing to their terms and privacy policies.

5. Security

We implement robust security measures to protect your usage information from unauthorized access, alteration, disclosure, or destruction.

6. Collection and Use of Precise Location Information

1. When you use the WiFi Hexagon locations feature in our Moonbase Wallet app, we may collect your precise location information to provide you with accurate and relevant services.

2. Your precise location information is collected only with your explicit consent. You will be prompted to grant permission for our app to access your device's location services when you first use the WiFi Hexagon locations feature.

3. We collect your precise location information solely for the purpose of enabling the WiFi Hexagon locations feature and providing you with the necessary functionality within our app.

4. Your precise location information is not used for any other purpose, such as targeted advertising or sharing with third parties, without your explicit consent.

7. Data Security and Retention

1. We employ industry-standard security measures to protect your precise location information from unauthorized access, disclosure, alteration, or destruction.

2. Your precise location information is securely transmitted and stored using encryption technologies to ensure its confidentiality.

3. We retain your precise location information only for as long as necessary to provide the WiFi Hexagon locations feature and comply with legal obligations. Once the information is no longer needed, it is securely deleted from our servers.

8. Compliance with Google and Apple Privacy Policies

1. Our collection and use of your precise location information strictly adhere to the privacy policies and guidelines set forth by Google and Apple.

2. We do not share your precise location information with third parties without your explicit consent, except when required by law or to comply with legal processes.

3. We do not use your precise location information for any purpose that violates the terms and conditions of Google's and Apple's privacy policies.

9. User Control and Opt-Out

1. You have full control over the collection and use of your precise location information. You can choose to enable or disable the WiFi Hexagon locations feature at any time through the app's settings.

2. If you choose to disable the WiFi Hexagon locations feature, we will stop collecting your precise location information, and the feature will no longer be available to you.

3. You can also revoke the app's access to your device's location services through your device's settings. Once revoked, our app will no longer collect your precise location information.

10. Changes to This Privacy Policy

We reserve the right to update or change our Privacy Policy at any time. We will notify you of any changes by posting the new Privacy Policy on our platform.
